Prior to LegalShield I struggled in every career opportunity that I tried. I owned an asphalt sealcoat business, I sold life insurance and I was a product specialist in the automobile industry.

I had a lot of debt but no money. I needed to make a change so I followed the proven system for success. I marketed good memberships and helped build an awesome team that marketed good memberships. My wife, Tonya and I worked all aspects of LegalShield by using the systems in place. We didn't quit. We believed. Because of all that, we earned the \$250,000 Ring and became Millionaire Club Members. We are also one of the tens of thousands that experience passive, residual income from LegalShield, every day.

If I can do it, then you can too!

**Now, after 13 years as an associate in the field,
I am honored to serve you as the Vice President of Sales for LegalShield.
