About the Speaker

"An Entrepreneur, Author & Father"

Prior to his marketing success and becoming the pace-setter for the 400,000+ associates in LegalShield, Brian developed businesses in many fields.

A Washington, DC native, his business knowledge came from many successful associations with very wealthy and successful entrepreneurs. One of whom, his own father, built one of the largest real estate companies on the East Coast in the 1970's.

By the age of 30, Brian pulled all of his experience, knowledge and mentorship and became the mentor for now over 100,000's of associates on his team across North America. Brian Carruthers has become a "success coach", helping people to dream again... then helping them to achieve their dreams. He has already helped 1000's of his business associates to become successful business owners and get out of the corporate world rat-race, and begin to spend real time with their families and doing the things that are really important to them.

Listen to his success story and learn how he has taught so many to be successful...
